Budget TIPS:

At CST we do our best to make sure your Budget Trip is just that:

- Consider using groceries and making breakfast at home and a bag lunch in the kitchen at our guest house
- We will have a few rooms that can sleep more than 2 in separate beds. Those guests could request a reduced rate
- Just use a carry-on, don't check a bag
- On your free day take in the free Natural History and/ or the Tate Britain Museum
